STATUS INQUIRY

Sir:

Further to the above-identified application, Applicant would like to confirm the status of the above-identified application. According to PAIR, the issue fee payment was recorded January 24, 2005. On 12/18/2004, the Printer requested certain information from the Examiner, to which the Examiner apparently replied on 5/11/2005. On 7/18/2005, the Printer made a second request for that information. It has now been over 4 months since the last entry in PAIR. The Issue Fee has

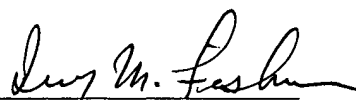

been paid in January, over 10 months ago. Applicant would like to know when his allowed application will issue and whether there are any other issues that are delaying the issuance of his patent.

Respectfully submitted,
